

Follow this step and easily share your review on Google

So, every student takes the advantage of this journal

1. Open Google search engine and type only ijarie

2. Scroll down and click on the [View all Google reviews](#) or [Google reviews](#)

Read same review.

The screenshot shows a Google search result for 'IJARIE'. The search results on the left include links to ResearcherID, general details, Indian Science, Google Scholar Citations, and LinkedIn. The right-hand panel displays the journal's title, 'International Journal of Advance Research and Innovative Ideas in Education', along with contact information and a 'Reviews' section. The 'Reviews' section is highlighted with a red box and shows '29 Google reviews'. Three reviews are visible, each with a profile picture and a quote. The first review states: 'The procedure of publishing the research paper is very commendable.' The second review states: 'IJARIE is a peer reviewed international journal with good impact factor.' The third review states: 'Accordingly, I found whole journal team members highly qualified.' Below the reviews is a 'View all Google reviews' link and a 'Send to your phone' button. The Windows taskbar at the bottom shows the time as 8:48 PM on 31-May-16.

3. Now click on write a review button

The screenshot shows a Google search result for the journal 'International Journal of Advance Research and Innovative Ideas in Education'. The search results on the left include links to ResearcherID, the journal's website, Indian Science, Google Scholar Citations, and LinkedIn. The main result on the right displays the journal's title, address, phone, and hours. Below this, there is a 'Reviews' section with 29 Google reviews. A red rectangular box highlights the 'Write a review' button in the 'Reviews' section. The Windows taskbar at the bottom shows the time as 8:55 PM on 30 May 16.

4 Now give the review on pop up box. After that click on the post
