ABOUT THE CONFERENCE

The conference aim is to encourage a variety of activities for enhancing global citizenship because a global citizen takes responsibility for their actions and beliefs, this will mean developing skills related to problem solving, decision making and critical thinking, communication and collaboration. The competencies are becoming more and more essential for success in the work place as well as in general life.

Global citizenship is becoming a wide spread topic in higher education

because it deal with issues of global interdependence, diversity of identities and cultures, sustainable development, peace and conflict and inequalities related to power resources and respect. It means that 21 centuries faculty & students will require adequate preparation so that they may succeed in this quickly developing world, in both their professional and personal lives **the main aim of the conference to seek international exposure to all.**

OBJECTIVES OF THE CONFERENCE

1. To prepare the successful global citizen.
2. To face the challenges of modern skills & Acquisition.
3. To Acquire the Intrapersonal Skills – ways to develop ownself.
4. To develop Innovative pedagogical Competencies.
5. To construct academic leadership qualities and administrative skills.
6. To enhance the knowledge of the latest norms and regulations in higher education.
7. To identify ramose life Skills or soft skills to Integrate in self development.
8. To understand significance of integrating modern skills.
